MCR GROUP, INC.

GPON OLT product 1U Series

MCR OLT-GP10X

Description:

GPON OLT 1U series is a 1U sized, high compact OLT device that includes three product forms: 4 /8 /16 GPON ports. Support FTTx fast access to meet the networking needs of various scenarios such as homes, parks, buildings, and enterprises. Implement one physical point, one optical fiber, and full service network access.

Application Scenarios:

MCR OLT-GP10X, as an optical access local equipment, is deployed in the access equipment room or access node and can provide a full service optical access platform. GPON is used to connect ONU devices to access various services of users, and Ethernet is used to access the carrier and core network of each service. GPON OLT can achieve FTTx access with a single device, with a clear network structure and low complexity, easy to deploy.

Order Guide:

MCR OLT-GP10☐ ☐ -☐ ☐ - ☐ -☐ ☐

NO.	(1)	(2)	(3)	(4)	(5)	(6)
Item	PON	Main power supply type	Auxiliary power supply type	AC power cord type	No. of optical modules	Type of optical module
Content	04: 4	A: AC	Default: None	Default: None	Default: None	Default: None
	08: 8	D: DC	A: AC	CN:	4 : 4pcs	C+: Class C+
	16: 6		D: DC	US:	8 : 8pcs	C++: Class C++
				UK:	6 : 16pcs	C+++: Class C+++
