

Field Installable Connector (FIC) SC/APC

Model Number : MCR-FCI-100A

Application

Connect the FTTH indoor cable (flat drop cable).

Feature

- Connect FTTH indoor cable directly, saving one pigtail and heat-shrinkable tube.
- Small and smart, with beautiful appearance.
- Passive connector, energy saving.
- Easy operation, do not need special training.
- Employ embedded fiber structure; the core part can be reused.

Environmental performance test

IEC 61754-4	Fiber optic interconnecting devices and passive components - Fiber optic connector interfaces Part 4: Type SC connector family
TIA/EIA 568-C. 3	Optical Fiber Cabling Components Standard
TIA/EIA 604-3	Fiber Optic Connector Intermate ability Standard, Type SC and SC-APC
Telcordia GR-326 Part. 4	Generic Requirements for Single mode Optical Connectors and Jumper Assemblies
Telcordia GR-1209 Part. 4	Generic Requirements for Passive Optical Components
Telcordia GR-1221 Part. 3	Generic Reliability Assurance Requirements for Passive Optical Components
Telcordia GR-765 Part. 1	Single Fiber Single Mode Optical Splices and Splicing Systems
Telcordia GR-1081 Part. 2	Generic Requirements for Field-Mountable Optical Fiber Connectors
IEC 61300-3-4	Attenuation method (A) Return Loss
IEC 61300-3-6	Return Loss method (1) OCWR
